# Canteen

## Position Vacant - Canteen Co-ordinator

This is a breakdown of the role for the canteen co-ordinator which may explain it a little better.

I will stand again for 2IC but would like someone to take on the role for the following. I would still look after the food stock needed and buy every week plus stock the drinks as long as I'm not away.

- Prepare the roster at the start of each term.
- Liaise with volunteers on the roster through the week to check if they are still able to be there on the coming Friday.
- Do any adjustments to the Spriggy Schools programme i.e add any items, cancel an order if the child is not attending school on the day.
- Stock up on the groceries and drinks if I'm not able to do it.

If anyone would like to talk to me more about this then please call me on 0421330778

Regards,  
Marilyn (Maz)
